About FSD Expo

FSD EXPO is an International Expo on Fire, Safety and Disaster Management, it is focusing requirements of Fire Industry, Fire Services, Disaster Management Authorities, Industrial and commercial establishments.

FSD EXPO will provide an unique opportunity for fire & safety professionals to engage with leading commercial, industrial safety, disaster & fire product and service providers and creating the ideal platform for exhibitors to showcase their products & services.

FSD EXPO is intended to cater the needs of markets of India by connecting practitioners, suppliers, distributors and manufacturers from the fire, safety and security industry, with key decision makers from the government and private sectors, making it a ultimate networking platform, where new projects and partnerships are initiated and visionary objectives are implemented. This expo also aims to create synergy and strengthen the collaboration between the authorities and the industries.

The two day exhibition will attract participation from a large number of exhibitors and representation from India as well as rest of the world, with a slew of product and service launches, to the trade visitors and potential buyers from the region and beyond. FSD Expo will also be a passage for the deliberation of latest fire, safety, disaster management & Rescue technology. FSD EXPO is aligned with the demand and supply of the market across the board of industries to share best practices, tackle challenges, and explore breakthrough methods for the integration of safety and security technologies.
